Safeguarding Children Policy and Procedures

Club Template

Using this Policy

This policy template is provided so that you can add your club name to the relevant sections. It is important that this policy is discussed by the committee. The club needs to be sure it is clear about its responsibilities and that it adheres to this policy in full. Having a proactive Club Welfare Officer is an integral requirement of this policy.

BEACON HILL JUNIOR Football Club Safeguarding Children Policy

- 1. BEACON HILL JUNIOR Football Club** acknowledges its responsibility to safeguard the welfare of every child and young person who has been entrusted to its care and is committed to working to provide a safe environment for all members. A child or young person is anyone under the age of 18 engaged in any club football activity. We subscribe to The Football Association's (The FA) Safeguarding Children - Policy and Procedures and endorse and adopt the Policy Statement contained in that document.
- 2. The key principles of The FA Safeguarding Children Policy are that:**
 - the child's welfare is, and must always be, the paramount consideration
 - all children and young people have a right to be protected from abuse regardless of their age, gender, disability, race, sexual orientation, faith or belief
 - all suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately
 - working in partnership with other organisations, children and young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from poor practice and abuse. **BEACON HILL JUNIOR Football Club** recognises that this is the responsibility of every adult involved in our club.

- 3. BEACON HILL JUNIOR Football Club** has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The Football Association's Safeguarding Children Regulations (see The FA Handbook) applies to everyone in football whether in a paid or voluntary capacity. This means whether you are a volunteer, match official, helper on club tours, football coach, club official or medical staff.

- 4. We endorse and adopt The FA's Responsible Recruitment guidelines for recruiting volunteers and we will:**
 - Specify what the role is and what tasks it involves
 - Request identification documents
 - As a minimum meet and chat with the applicant(s) and where possible interview people before appointing them
 - Ask for and follow up with 2 references before appointing someone
 - Require an FA CRB Unit Enhanced Disclosure where appropriate in line with FA guidelines.

All current **BEACON HILL JUNIOR Football Club** members who are regularly caring for, supervising, training or being in sole charge of children and young people will be required to complete a CRB Enhanced Disclosure via The FA CRB Unit'.

If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become part of **BEACON HILL JUNIOR Football Club** guidance will be sought from The Football Association. It is noted and accepted that The FA will consider the relevance and significance of the information obtained via The FA CRB Unit Enhanced Disclosure and that all decisions will be made in the best interests of children and young people.

It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the

opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of 'grooming' within football.

5. BEACON HILL JUNIOR Football Club supports The FA's Whistle blowing Policy. Any adult or young person with concerns about a colleague can 'whistle blow' by contacting The FA Safeguarding Team on 0207 745 4787, by writing to The FA Case Manager at The Football Association, 25 Soho Square, W1D 4FA or alternatively by going direct to the Police, Children's Services or the NSPCC. BEACON HILL JUNIOR Football Club encourages everyone to know about it and utilise it if necessary.

6. BEACON HILL JUNIOR Football Club has appointed a Club Welfare Officer in line with The FA's role profile and required completion of the Safeguarding Children and Welfare Officers Workshop. The post holder will be involved with Welfare Officer training provided by The FA and/or County FA. The Club Welfare Officer is the first point of contact for all club members regarding concerns about the welfare of any child or young person. The Club Welfare Officer will liaise directly with the County FA (CFA) Welfare Officer and will be familiar with the procedures for referring any concerns. They will also play a proactive role in increasing awareness of **Respect**, poor practice and abuse amongst club members.

7. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable at our club. If bullying does occur, all players or parents/carers should be able to tell and know that incidents will be dealt with promptly. Incidents need to be reported to the Club Welfare Officer in cases of serious bullying the CFA Welfare Officer may be contacted.

8. **Respect** codes of conduct for Players, Parents/Spectators, Officials and Coaches have been implemented by BEACON HILL JUNIOR Football Club. In order to validate these **Respect** codes of conduct the club has clear actions it will take regarding repeated or serious misconduct at club level and acknowledges the possibility of potential sanctions which may be implemented by the County FA in more serious circumstances.

9. Reporting your concerns about the welfare of a child or young person. **Safeguarding is everyone's responsibility if you are worried about a child it is important that you report your concerns - no action is not an option.**

- i. If you are worried about a child then you need to report your concerns to the Club Welfare Officer.
- ii. If the issue is one of poor practice the Club Welfare Officer will either:
 - deal with the matter themselves or
 - seek advice from the CFA Welfare Officer
- iii. If the concern is more serious - possible child abuse, where possible, contact the CFA Welfare Officer first, then immediately contact the Police or Children's Services
- iv. If the child needs immediate medical treatment take them to a hospital or call an ambulance and tell them this is a child protection concern. Let your Club Welfare Officer know what action you have taken, they in turn will inform the CFA Welfare Officer.
- v. If at any time you are not able to contact your Club Welfare Officer or the matter is clearly serious then you can either:
 - contact your CFA Welfare Officer directly
 - contact the Police or Children's Services
 - call The FA/NSPCC 24 hour Helpline for advice on 0808 800 5000 or Deaf users text phone 0800 056 0566

NB - The FA's Safeguarding Children Policy and Procedures are available via www.TheFA.com/Footballsafes - click on the 'downloads' under Policy and Procedures. The policy outlines in detail what to do if you are concerned about the welfare of a child and includes flow diagrams which describe this process. How to make a referral is also covered in the Safeguarding Children workshop. Participants are given the opportunity to discuss how this feels and how best they can prepare themselves to deal with such a situation. For more information on this workshop contact your County Welfare Officer.

We all have a responsibility to promote high standards of behaviour in the game.

In The FA's survey of 37,000 grassroots participants, behaviour was the biggest concern in the game. This included the abuse of match officials and the unacceptable behaviour of over competitive parents, spectators and coaches on the sideline.

Celebrating Football Through Photographs and Video

Recommended Guidelines

There has been much talk about who is allowed to take pictures of children (under 18s) playing sport and in particular what parents/carers are permitted to do. The FA would like to assure parents, carers, coaches, spectators, players and local media that we encourage the taking of appropriate images of children in football.

Potential risks

The FA has developed this guidance to help avoid the following:

- The inappropriate use, adaptation or copying of images for use on child abuse websites on the internet (often incorrectly referred to as pornography sites)
- The identification of children when a photograph is accompanied by significant personal information that will assist a third party in identifying the child. This can lead, and has led, to children being 'groomed'
- The identification and locating of children in inappropriate circumstances which include: (i) where a child has been removed from his/her family for their own safety; (ii) where restrictions on contact with one parent following a parental separation exist e.g. in domestic violence cases; (iii) in situations where a child may be a witness in criminal proceedings; or (iv) other safeguarding children concerns.

It's important to remember the majority of images taken are appropriate and taken in good faith. If we take the following simple measures we can help to ensure the safety of children in football.

Common sense considerations to ensure everyone's safety

Do:

1. share The FA's guidance on taking images with all parents, carers and members when they join the club
2. ensure the club has parental consent to use a player's image if it is to be used in the public domain e.g. club website or newspaper article. This is essential in relation to point 3 below
3. ensure that any child in your club who is under care proceedings, is protected by ensuring that their image is not placed in the public domain. This can be done by using a Consent Form, so that parents/carers can identify whether this applies to children in their care
4. focus on the activity rather than the individual
5. ensure all those featured are appropriately dressed (a minimum of vest or shirt and shorts)
6. aim to take pictures which represent the broad range of youngsters participating safely in football e.g. boys and girls, disabled people, ethnic minority communities.

Don't:

1. publish photographs with the full name(s) of the individual(s) featured unless you have written consent to do so and you have informed the parents as to how the image will be used
2. use player profiles with pictures and detailed personal information on websites
3. use an image for something other than that which it was initially agreed, e.g. published in local press when initially produced for a clubhouse commemorative picture
4. allow images to be recorded in changing rooms, showers or toilets - this includes the use of mobile phones that record images.

Filming as a coaching aid

The FA advises that coaches using videoing as a legitimate coaching aid should make parents/carers and players aware that this will be part of the coaching programme. Care should be taken when storing the videos.

If you are concerned about the inappropriate use of images please report this to your CFA Welfare Officer or to The FA Case Manager (contact details provided below).

Remember

- It's not an offence to take appropriate photographs in a public place even if asked not to do so
- No one has the right to decide who can and cannot take images on public land
- If you have serious concerns about a possible child protection issue relating to the recording of images then call the Police. This action should only be taken where you believe that someone may be acting unlawfully or putting a child at risk
- The land or facility owner can decide whether or not photography and or videoing at football activities will be permitted when carried out on private land. However you need to make this known before allowing individuals access to the private property. If they do not comply then you may request that they leave
- Try not to use images that include individuals wearing jewellery (as wearing jewellery whilst playing is contrary to the Laws of the Game as well as being a health and safety issue).

Commissioning professional photographers and the local media

If you are commissioning professional photographers or inviting the press to cover a football activity, ensure you and they are clear about each other's expectations. The key is to plan ahead and communicate early on.

- Provide a clear brief about what is considered appropriate in terms of content and behaviour
- Inform them of your club's commitment to safeguarding children and young people. Establish who will hold the recorded images and what they intend to do with them, e.g. place on a website for sale, distribute thumb nails to the club to co-ordinate sales
- Issue the professional photographer with identification, which must be worn at all times

Inform participants and parents or carers prior to the event that a professional photographer will be in attendance and ensure you have established that no under 18s will be compromised due to safeguarding children concerns if their image is taken - remember this can be done by using a Consent Form at the start of the season.
